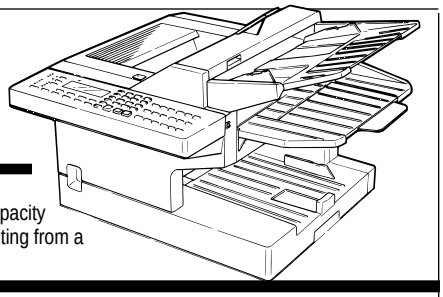
Muratec
The Fax Specialists.

F-98



Powered by FaxRISC, the F-98 features a 5.7-second quick scan, 6-second fax transmissions, dual access capabilities and a 150-sheet standard paper cassette with an optional upgrade for a total maximum paper capacity of 650 sheets. The F-98 also includes a serial port, allowing instant connectivity for faxing, scanning and printing from a PC with Class 1 software.

SPECIFICATIONS

Fax RISC technology

Feeder Capacity	30 pages (20-pound bond paper)
Resolution	(in lpi, H × V): Normal, 203 × 98; fine, 203 × 196; superfine, 203 × 392;
Grayscale	64-level
Printing Width	8.2″
Scanning Width	8.2″
Scanning Method	CCD
Printing Method	Dry, electrophotographic (laser) process
Consumables Yield	Drum cartridge, 20,000 pages; regular toner cartridge, 5,500 pages; starter toner cartridge, 3,600 pages.
Paper Capacity	Standard cassette, 150 letter- or legal-sized sheets; plus optional 500-sheet for letter-sized
Document Size	(W × H): Single sheet – 11.0″ × 35.4″ maximum, 5.8″ × 4.1″ minimum two or more sheets - 10.1" x 14.4" maximum, 5.8" x 4.1" minimum
Weight	31 pounds
Dimensions	(W × D × H): 19.3″ × 20.4″ × 10.7″
Power	120VAC ± 10%, 50–60 Hz

FEATURES

Plain-paper printing of fax messages, copies
- Holds 150 sheets letter or legal in standard cassette
- Optional second cassette holds 500 letter-sized sheets, for 650-sheet capacity and simultaneous letter/legal usage

Powered by Muratec FaxRISC ™ technology

Features Muratec dual access, for non-stop productivity
- Perform a second task, even while the machine is busy

Money-saving high-speed operation
- 14.4 Kbps modem
- 5.7-second quick scan[3]
- 6-ppm laser print engine
- 6-second transmission speed

PC-to-fax connectivity
- Standard RS-232 port
- Fax, scan and print from PC using optional Class 1 compatible software

Expandable document memory
- 32-page (.384 MB) standard memory[3]
- Expandable to 352 pages
- 72-hour memory back-up

130-number autodialer
- 30 one-touch numbers, 100 speed-dial numbers
- 50 delayed dialing commands
- EasyDial™ alphanumeric directory dialing

Broadcasting power
- Broadcasts to as many as 150 locations
- Relay broadcast initiation
- 6 call groups

Security and cost-control features
- Passcode protection
- SecureMail™ reception and transmission
- Junk fax barrier
- PIN mask
- ITU-T Sub-address compatible
- Closed-network operation

Enhanced polling capabilities
- Standard, Delayed, ITU-T Sub-address

Convenient copier mode
- User-select sort or stack option

Derived from a proven family of products
- Same laser engine and body as award-wining F-150 and F-120 fax machines

6 Programmable multi-function keys

OneLine +™ distinctive ring detection
- Works with special phone company services

Caller ID enabled

ITU-T-standard superfine and Error Correction Mode (ECM)
- Provides the highest resolution and best image quality possible between faxes-regardless of manufacturer

30-page automatic document feeder
- Stacks transmitted and printed documents in original order

Automatic and manual large-document reduction

Image smoothing

64-level grayscale

Complete journals, reports and displays

User-controlled confirmation stamp

EasyStart™ guided set-up

Automatic cover page
